

## EK18A-212LI 3 Wheel Electric Forklift

| Model                                    |        | EK18A-212Li  |
|--|--------|--------------|
| Lift                                     |        | Electric     |
| Drive                                    |        | Electric     |
| Load capacity                            | (lb.)  | 4,000        |
| Load center distance                     | (in)   | 24           |
| Wheel base                               | (in)   | 55.1         |
| Lifting height                           | (in)   | 212          |
| Free lifting height                      | (in)   | 46.5         |
| Lowered mast height                      | (in)   | 95.5         |
| Mast/Fork carriage tilt forward/backward | ( ° )  | 3/5          |
| Side Shifting Forks                      |        | 3-way valve  |
| Overall length                           | (in)   | 116.9        |
| Overall width                            | (in)   | 44.1         |
| Fork size                                | (in)   | 42           |
| Fork adjust width                        | (in)   | 8.7-29       |
| Turning radius                           | (in)   | 65.9         |
| Max gradient performance, laden/unladen  | (%)    | 22/30        |
| Lift speed, laden/unladen                | (fpm)  | 78.7/118.1   |
| Lowering speed, laden/unladen            | (fpm)  | 114.2/98.4   |
| Charger                                  |        | Included     |
| Driving Motor                            |        | AMOSFET      |
| Lifting Motor                            | (HP)   | 18.8         |
| Battery voltage                          | (V/Ah) | 80V/202Ah Li |
| Service Weight                           | (lb.)  | 8,105        |

The EKKO E18A-189LI 3 Wheel Lithium Forklift is designed for use for all your material handling demands. It is ideal for loading and unloading trucks, loading docks, stock rooms, manufacturing floors and warehousing.

Made from high quality steel and components with durable quality drives to withstand any terrain, usage, impact and directional changes for the use of any application with confidence and assurance.

- Load Capacity 4000 lb.
- Raised Height 212" (17.66ft)
- Side Shifting Forks
- Free Lift 46.5"
- Adjustable Forks
- Hydraulic Steering
- ZAPI controller
- Battery 80V/202Ah Lithium (included)
- Solid Pneumatic Tires
- Ergonomic Handle and Controls
- Steel Construction
- Robotic Welding
- Charger Included
- 3 Year Limited Warranty
