

- Used in tandem with Valley Craft Mobile Hoppers (½ and 1 cubic yard).
- Simply transport and dump multiple hoppers using just one forklift attachment.
- Fully powered unit eliminates the need for manual assisting dumps.
- Improves safety while increasing productivity when transporting and dumping material.
- Assists facilities with OSHA compliance and LEAN initiatives.
- Start & stop at any point during dumping/retracting process.
- Connect unit by attaching included quick-connect couplers to forklift auxiliary circuit.
- Secure unit to forklift forks with built-in T-bolts.
- Control unit ergonomically by using convenient forklift controls.
- Quick 5 second cycle time.
- Heavy duty, fully welded steel construction.
- Premium powder coat paint finish.
- Ships fully assembled, ready to use.
- Made in the U.S.A.

**Step 1:** Insert forks & secure unit using included safety chain. Connect quick-connect couplers to forklift auxiliary circuit.

**Step 2:** Easily roll Mobile Hopper into Forklift Attachment to engage secure latching system.

**Step 3:** Operate powered system using convenient forklift controls.

## Forklift Attachment for Powered Self-Dumping System

Model #	Power Source	Dump Angle	Fork Pocket Size L x W x H	Distance Between Fork Pockets	Dimensions L x W x H	Capacity (lbs.)	Weight (lbs.)
F89681	Forklift	91°	31 7/8 x 6 1/2 x 2 1/2"	34"	43 x 41 x 14"	2,000	265

Distance Between Fork Pockets is measured center to center.
